

CN Curling Club Return to Play Guide

Overview:

It is important to note the situation around the COVID-19 pandemic continues to evolve and requires ongoing monitoring to either add, maintain, enhance or remove some or all of the following **temporary procedures**.

They will be implemented in complete alignment with the evolving suggestions and directives of public health and the Saskatchewan Health Authority (SHA) and monitored on an ongoing basis.

Goals:

Provide a facility that permits as normal a curling experience as possible while adhering to the evolving best practices as set forth by Public Health and the SHA

Implement additional measures to assist in protecting the health and well-being of our Members, Staff, and Guests.

Respect your team mates and fellow Club members

If you are not feeling well, please stay home

Rigidly follow public health and SHA regulations.

Familiarize yourself with the Club's temporary changes (below).

Observe and follow various guidelines that are posted throughout the Club.

If you have been in contact with a person who has tested positive:

- advise us immediately
- if you have travelled recently you must follow public health and the SHA guidelines

Frequently and thoroughly wash your hands with soap and warm water.

If you are not feeling well, please stay home

Vision: Saskatoon's Curling Club of Choice

Mission: Retain our existing Membership, Grow with recruitment of new Members, Impress our Guests, Appreciate everyone who makes that happen

Values: A Great place to Curl and have Fun, A Great experience on every visit, A Great place to work
